Assistance League © of Flagstaff is pleased to present the thirty second edition of the **Social Services Directory for Coconino County**, a comprehensive listing of non-profit social service agencies in Northern Arizona. This information is updated annually. We are working very hard to make this directory as comprehensive as possible, and welcome your input anytime of the year. Let us know by calling (928) 779-3029 and leaving a message regarding any agency corrections or additions.

The directory is also on our website at: www.assistanceleague.flag.org. Feel free to print additional copies if you need them. Otherwise, you may purchase additional copies for \$10.00 at the Cedar Closet.

Users will find an alphabetical listing of agencies in the front of this directory. In the back of the directory, agencies are listed by categories of services they provide. Please note that some agencies did not submit updated information this year and so were last updated in the 2017 on-line directory. Still others have not submitted updated information in the past two years, so they were deleted from the 2018 directory. To the many people working with the agencies listed, we thank you for your dedication and commitment to being part of the network of human services to our community.

A BIG thank you to all who support us by shopping at our Cedar Closet Thrift Shop. This support helps us to publish the directory and provide a copy free to all Coconino County non-profit social service agencies listed. It also helps us serve the community through other philanthropic projects: **OPERATIION SCHOOL BELL©, KIDDIE CLOSET, A Birthday Celebration, ASK©, Hug-A-Bear, KIDS, Thrift Shop Vouchers and Homeless Help.**
